**RESUBMISSION OF PETITION UNDER 37 C.F.R. 1.181(a)  
REQUESTING WITHDRAWAL OF THE HOLDING OF ABANDONMENT**

Applicants herein re-petitions the Director for withdrawal of the examiner's holding of abandonment on the basis that the application is in fact not abandoned.

*Supporting Facts*

Applicants originally filed a Petition Requesting Withdrawal of the Holding of Abandonment with the United States Patent and Trademark Office on February 6, 2004, as evidenced by the attached copy of the originally submitted Petition and the attached copy of the Return Receipt Postcard, which was date stamped by the Office of Initial Patent Examination ("OIPE") on February 9, 2004. However, Applicants have not received any correspondence from the United States Patent and Trademark Office responsive to the Petition and the Patent Application Information Retrieval ("PAIR") system does not indicate entry of the Petition. The undersigned first became aware of the non-entry of the Petition on or about October 10, 2005.

In view of the above, Applicants are resubmitting the aforementioned Petition and previously submitted attachments and request entry thereof.

*Conclusion*

In view of the above, it is respectfully submitted that there has been no abandonment in fact and that the Notice of Abandonment was issued in error. The Notice of Abandonment should therefore be withdrawn. Such action is respectfully requested.

PETITION UNDER 37 C.F.R. 1.181(a)

REQUESTING WITHDRAWAL OF THE HOLDING OF ABANDONMENT

Applicant herein petitions the Director for withdrawal of the examiner's holding of abandonment on the basis that the application is in fact not abandoned. This Petition is being timely submitted within two months of the mailing date of the Notice of Abandonment.

*Supporting Facts*

In the Notice of Abandonment (Attachment A) dated January 20, 2004, the present application was indicated as being abandoned for failure to timely reply to the Notice of File Missing Parts mailed on February 25, 2002. The Notice of Abandonment indicated that no reply was received by the Office.

However, a review of the undersigned's application file indicates that a proper reply to the Notice of Missing Parts was timely submitted via U.S. first class mail on April 10, 2002 and that the response was received by the U.S. Patent and Trademark Office ("Office") on April 22, 2002.

In support of the above, Attachment B to this petition is a complete copy of the "Response to Notice to File Missing Parts of Application Filing Date Granted"

BRINKS HOFER GILSON & LIONE  
P.O. Box 10395  
Chicago, IL 60610

("Response"), including its attachments, as previously submitted on April 10, 2002. That Response included as its attachments a copy of the Notice to File Missing Parts and a copy of a Declaration and Power of Attorney duly signed by all of the inventors.

Also submitted with the Response was a return receipt postcard. The return receipt postcard was received back by the undersigned and bears the stamp of the Office of Initial Patent Examination ("OIEP"), indicating that the Response was received on April 22, 2002. A copy of the duly stamped return receipt postcard is attached hereto as Attachment C.

#### *Fees*

Since this is a petition to the Director under 37 C.F.R. 1.181(a), no fee is required. However, the Commissioner/Director is hereby authorized to charge any fee deficiency associated with the filing of this Petition to the deposit account as indicated in the Transmittal accompanying this Petition.

#### *Additional Submissions*

Concurrently submitted with this Petition are the following papers: (1) a Supplemental Information Disclosure Statement; and (2) a new, originally signed Declaration and Power of Attorney.

The former is being submitted so that art cited by a foreign patent office can be considered by the examiner. The latter is being submitted because, upon the review of the application initiated as a result of the receipt of the Notice of Abandonment, it has been noted that the Declaration submitted with the Response to Notice to File Missing Parts inadvertently failed to include the required reference to the application by serial number and filing date. It is asserted that this previous deficiency would have been insufficient to support the holding of abandonment since a notice of defective declaration would have been issued by the Office had the deficiency been noted. Accordingly, the Declaration concurrently submitted herewith corrects that deficiency.

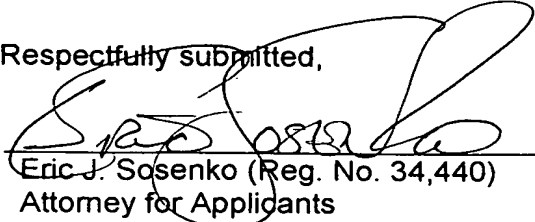

*Conclusion*

In view of the above, it is respectfully submitted that there has been no abandonment in fact and that the Notice of Abandonment was issued in error. The Notice of Abandonment should therefore be withdrawn. Such action is respectfully requested.

If there are any questions regarding this matter, please contact the undersigned attorney at (734) 302-6038.
